Collectieoverzicht 2026

by Mosa.

# Drie sferen Eén standaard

Mero by Mosa is gebaseerd op drie onderscheidende sferen, elk met een eigen karakter. Tegels, kleuren, formaten en afwerkingen gaan als vanzelfsprekend samen, waarbij wand- en vloertegels harmonieus op elkaar zijn afgestemd qua kleurcombinatie. Kies één sfeer of breng verschillende sferen samen. De keuze is helemaal aan jou.

# Warm & Rich

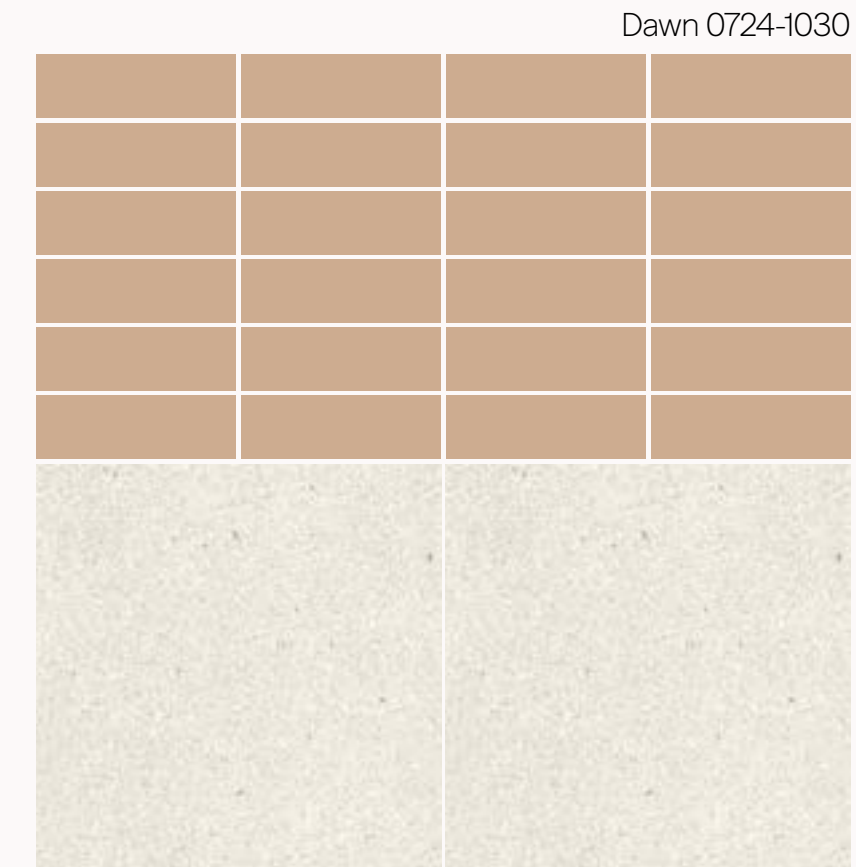

Warme tinten met weloverwogen kleuraccenten. Lijnen en verhoudingen in perfecte harmonie. Een visueel ritme dat elke ruimte een onmiskenbare samenhang geeft en subtiel om aandacht vraagt.
